EMPLOYEE OF THE MONTH:

Community Service Investigative Aide, Toni Anderson CCN 14344

In September 2009 the Town of Lauderdale by the Sea suffered a residential burglary at 4641 Bougainvillea Drive where approximately \$4500 in electronics was stolen. Detective Pullease and CSIA Anderson responded to the scene to conduct a follow-up investigation. CSIA Anderson meticulously processed the scene for latent fingerprints and observed blood evidence at the point of entry that belonged to the unknown suspect. Using her newly obtained training she recovered the blood evidence and submitted it to the Broward County Sheriff's Office Crime Lab for analysis. As a result of the crime scene processing the suspect was identified using DNA technology as William Dyas. Soon after the suspect's identification the individual was arrested for burglary residence, and grand theft.

Due to the hard work, dedication, and proper crime scene techniques the case was brought to a successful conclusion. I have no doubt that this case would have gone unsolved if not for the crime scene processing and investigative follow-up.
